**NON-CLASSIFIED POSITION ANNOUNCEMENT
WATER COMMISSIONER (Hydrology Technician)**

December 1, 2015

The Nevada Department of Conservation and Natural Resources, Division of Water Resources is seeking qualified applicants for the position of Water Commissioner (Hydrology Technician). This is a non-classified, full-time position within the Division of Water Resources (Division) located in Carson City, Nevada.

Recruitment: This is an open competitive recruitment, open to all qualified persons. Applications will be accepted until the recruitment need is satisfied.

Approximate Annual Salary (DOE):

Employer Paid Retirement	\$32,719 - \$48,024
Employee / Employer Paid Retirement	\$37,292 - \$54,747

This is a non-classified position paid equivalent to a Grade 30. The position is eligible for the State of Nevada Public Employees Benefit Program (PEBP).

The Position: Assists in the collection of field data and report writing for the Division's groundwater pumpage inventories for five hydrographic basins; Performs groundwater level measurements and stream flow measurements in various hydrographic basins and field investigations concerning various water right issues as assigned; Participates in the Division's Geographic Information Systems (GIS), including, but not limited to, data entry and database management, creation and review of GIS data and production of maps and presentation materials as needed by staff. This position will have some daily and overnight travel.

Minimum Qualifications: Bachelor's degree from an accredited college or university with major course work in engineering, hydrology, mathematics or closely related field; **OR** an Associate degree from an accredited college, university or technical school with major course work in engineering, engineering technology, GIS, math, physical sciences, or related field and one year of technical experience.

This position requires a current State of Nevada driver license and ability to perform assigned tasks in the field in a wide range of weather and field conditions. Must be able to

walk over varied terrain for distances of up to 0.5 miles carrying equipment weighing up to 40 pounds. Tasks may require lifting, bending and kneeling, reaching, grasping, pulling, occasional climbing, occasional wading in streams, and use of hand tools.

To Apply: Submit a resume, professional references, and answers to the following supplemental questions to: Matthew Dillon, Water Resource Specialist, Division of Water Resources, 901 S. Stewart St., Ste. 2002, Carson City, NV 89701, Fax: (775) 684-2800, Email: mdillon@water.nv.gov

Supplemental Questions: PLEASE PROVIDE RESPONSES TO THE FOLLOWING QUESTIONS. RESPONSES WILL BE REVIEWED, EVALUATED AND SCORED. IT IS IMPORTANT TO PROVIDE A THOROUGH RESPONSE.

- Describe your level of proficiency and experience with Microsoft Word and Excel.
- Describe your level of proficiency with the suite of Esri GIS software.
- Describe your experience writing technical and field reports.
- Describe your experience conducting hydrologic field work.

It is the applicant's responsibility to submit a complete resume and provide the requested supplemental information. **Incomplete submittals may be cause for rejection from consideration.**
